COSCP Capital Campaign Update October 2020

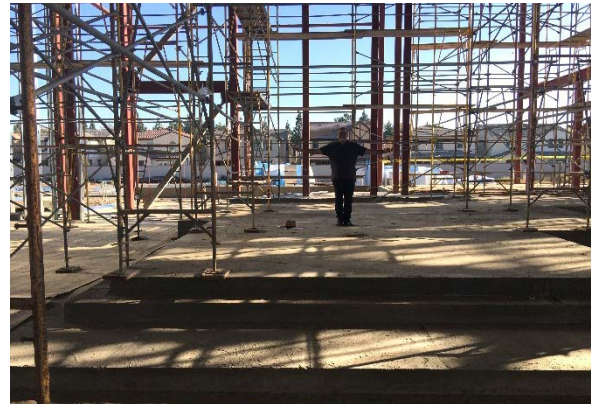

A Look Inside Our New Church

Father Joe and a few others were recently given a tour inside our new church. He was impressed with the spaciousness of the church, with high ceilings and room for 1,200 people to gather around the altar.

*If you already made your pledge to help build our permanent Church and Parish Center, THANK YOU!
 If you were waiting to see if we really would build a church before you made a pledge – NOW is the time!*

Many Ways to Give

This month we learned that a generous bequest had been made to our parish toward completing our church construction project. Our parish community meant a lot to this woman, R.I.P., so in thanksgiving she included this **estate gift** to the parish in her will.

Even if we don't have money beyond our current needs right now, we too can leave our parish family a gift in our will to help carry on parish ministries one day after we return to our heavenly father.

Capital Campaign Status – Sept 2020

The initial Capital Campaign in 2017 generated pledges from 547 parish households (34.4%) which totaled \$2,029,345. **We are counting on everyone to complete their pledges: \$221,640 is still due.**

The Capital Campaign Extension has a **goal of \$2 million** to cover the shortfall from the initial campaign plus increased construction costs. So far, the response is:

New Pledges	59
Additions to initial Pledges	127
Amount Pledged	\$504,307
Still Needed	\$1,495,693

Together let us Build a Home for our Parish Family!
