COSCP Capital Campaign Update January 2021

Our New Parish Home is Taking Shape

Good news: the roofs on our Church and Parish Center passed the test with our first rain storm of the season – no leaks! Plastering the massive exterior walls is underway on the south and east sides of the Church. The plastering and exterior painting are completed on the Parish Center and the ceiling tiles inside have been installed. In the coming month look for windows to be installed.

THANK YOU to the 19 families that made a new pledge and the 21 families that added to their original pledge in December. Your pledges last month brought us \$72,600 closer to paying for our new Church and Parish Center!

We Are Almost “Home”

We hope that our permanent church will be ready by Easter. However, we will have to pay over one million dollars MORE than what has been pledged when construction is completed. That means taking out a loan on which we will have to pay interest – making it more expensive for us as a parish family.

Every gift NOW will save us interest on money that we otherwise have to borrow. If you have not yet made a pledge to the capital campaign, PLEASE do so now! Even if you have finished your pledge, if you are able to add to it at this time, THANK YOU!

Generations of the faithful that practice their faith in these beautiful buildings for years to come will appreciate your sacrifice.

Capital Campaign Status – Dec 2020

The initial Capital Campaign in 2017 generated pledges from 547 parish households (34.4%) which totaled \$2,028,415. **We are counting on everyone to complete their pledges: \$200,512 is still due.**

The Capital Campaign Extension has a goal of **\$2 million** to cover the shortfall from the initial campaign plus increased construction costs.

At the end of 2020, the response is:

New Pledges	82
Additions to initial Pledges	150
Amount Pledged	\$632,722
Still Needed	\$1,367,278

Together let us Build a Home for our Parish Family!
