## COSCP Capital Campaign Update February 2021

### Ground Level Construction

We can see the buildings going up, but ground level work is also going on behind the construction fences. The turnabout in the driveway at the main entrance on Alton is now completed, and concrete curbs and planters are being poured for the new parking lot on the south side of the church, with access from Jaguar Way. Also, the main Church entrance has been faced with beautiful red brick.

**THANK YOU** to the 635 families that have made a pledge to the Capital Campaign to help build a permanent Church and Parish Center for *Christ Our Savior*. This represents **40% of our parishioners**. If you are in the other 60%, it's time to make your pledge to help build our new parish home!

### Recognition for Your Gift

**EVERY** pledge to the Capital Campaign will be recognized in a *Book of Founding Donors* in the new Parish Center. In addition, those who donate \$4,000 or more will also have their family name inscribed on a beautiful *Plaque* in the church itself. The recognition your family receives will be based on the total amount pledged and paid both in the initial campaign and the extended campaign.

If your pledge is less than \$4,000 now, consider adding to it to bring your total pledge to \$4,000. Higher levels of recognition will also be given at the \$5,000, \$15,000, \$25,000, and \$50,000 levels.

### Capital Campaign Status – Jan 2021

The initial Capital Campaign in 2017 generated pledges from 547 parish households which totaled \$2,041,029. **We are counting on everyone to complete their pledges: \$162,304 is still due.**

The Capital Campaign Extension has a **goal of \$2 million** to cover the shortfall from the initial campaign plus increased construction costs.

At the end of January 2021, the response is:

New Pledges	88
Additions to initial Pledges	157
Amount Pledged	\$677,172
<b>Still Needed</b>	<b>\$1,322,828</b>

**Together let us Build a Home for our Parish Family!**
